

You're Protected

Each member of our caregiver team is thoroughly screened through a comprehensive interview, criminal background check and employment reference checks. In addition to a thorough orientation process and the continuous inservice training they receive, our caregivers also receive detailed instructions concerning their client(s) prior to the first visit. Because we hold to the highest standards, we constantly monitor each client's care, evaluating each team member's compatibility and performance.

As a company, we carry professional and general liability coverage, workers' compensation insurance, and are bonded. We handle payroll and employee taxes as well. Our licensing is through the Georgia Department of Community Health, and we comply with all rules and regulations for Private Home Care Providers.

How to Get Started

The first step is to call our office to schedule a free initial consultation. During this meeting, we will further explain our services and review your requests. An individualized plan will be developed to meet your needs, and the appropriate caregiver selected for the best match possible.

Call today at (706) 507-2780.

Testimonials

"Thank you so much for providing truly excellent care for our aunt... We could not have asked for better care... and we are most grateful for your ability to be there when we needed you..."

—Mrs. Thomas K. Kendrick, Jr.

"My sisters and our families thank you and your caregivers from the bottom of our hearts for the time you spent watching over and caring for our mom and dad in their last days. Your heartfelt kindness and love for them gave us such great solace in those times we could not be with them. We appreciate everything you did!

—Mallory Fuller

What a blessing it was to have Home Care Service of Columbus take care of my mom. Mom had around the clock care at home and she and I both were very satisfied with the quality of care and the value received. Tim and Angie Hollis are very knowledgeable and easy to work with.

—Tommy McDonald

Home Care Services has been providing care for my handicapped father for 6 years. I can't begin to describe how much relief it was to be able to begin my family's relationship with Home Care Services at a time of a tragic event.

The services that they provided over the years and the trust and rapport we have built are outstanding. The capabilities to perform the services that they provide are without question top notch.

I would recommend Home Care Services as a Top Tier homecare provider by any method of measurement.

—David Adams

Our Caregiver Team

We understand that our caregivers are our most valuable resource. Therefore, our focus is on recruiting and retaining the most competent and compassionate caregivers available, most of whom are Certified Nursing Assistants (CNA's). This results in low turnover and a dependable team of caregivers to meet your needs. They continually receive training on relevant home care topics through our CNA Inservice Program. In addition to this, all of our caregivers are CPR and First Aid Certified. Our goal is to accurately match compassionate and well-trained caregivers with you, providing the highest level of care possible.

We're Your Neighbors

Home Care Services of Columbus is owned and operated by Tim & Angie Hollis. Having grown up in Columbus and being active members of this community, we are concerned about the people in this area and desire to help those in need of quality non-medical home care. Our experience is that many people desire to remain in their homes as they age, and we are committed to helping them do so. Our personal experience with aging parents, we feel, gives us a unique perspective in dealing with the issues you may be facing.

Our principles for doing business include treating others like we wish to be treated, taking responsibility for our work, and building trust. We understand that life is all about relationships, and are personally involved with the families we serve. Since opening in April 2005, we have earned an excellent reputation in the community.

Our Services

Care is available 24 hours a day, 365 days a year, including holidays. We do not employ an answering service. Therefore, if you call after normal business hours you will receive personal attention to address your needs. The following is a sampling of our services:

- **Personal Hygiene Assistance**
- **Toileting Assistance**
- **Ambulation & Transfer Assistance**
- **Medication Reminders**
- **Light Housekeeping**
- **Laundry Assistance**
- **Transportation to Appointments**
- **Shopping and Errands**
- **Meal Preparation**
